Do you use medication that is prescribed and approved by the medical community to treat various drug and alcohol use disorders? Many addicts and alcoholics that are utilizing evidence-based science to aid in their recovery sometimes feel unwelcome at traditional 12 step meetings. Here at Medication-Assisted Recovery Anonymous (aka MARA), you're always welcome!

RECOVERY IS SIMPLY TO RECOVER FROM AN UNSAFE LIFESTYLE!

"Medication-Assisted Recovery Anonymous is a support group of people who believe in the value of medication as a means to recovery. We understand that our individual needs may not be the same; our backgrounds may not be the same; our futures may not be the same. However, our desire to live a safe lifestyle joins us together.

Non-judgement is our code."
